Dear MSTA Members,

We have once again extended our class schedule. We will continue to do so slowly, for the time being, please take a look at our updated schedule.

Additionally, we have added a Tuesday morning session for open swim. As a reminder, due to the current environment, we are not allowing the use of kickboards for the safety of our swimmers. The use of cameras is not allowed for any reason due to the privacy of other swimmers using the pool. If hair passes the ears, the swimmer is required to wear a swim cap. Finally, as a kind reminder, we insist that everyone rinse off before entering the pool. We thank you for your cooperation!
