

# **MSTA Newsletter July**

Dear MSTA Members,

Restrictions by the state and county governments have been lifted slightly, allowing us to update our policies. Moving forward, vaccinated people will no longer be required to wear a mask indoors and wearing a mask will be left up to personal preference, if and so, the individual is vaccinated. This, in turn, will allow us to open more classes in order to give our customers more options when choosing a time that best fits their schedule.

Please be on the lookout as we continue to expand our weekend PM shifts beginning with Saturdays at 1:50 PM. If any parent is interested in taking swim lessons themselves we currently have three different time slots available for any adult at any skill level to enroll in.

Finally, we have updated our hours and will be expanding our current schedule, please take a look below:
