CAMP 8: 7/25-7/29	CAMP 7: 7/18-7/22	CAMP 9: 8/1-8/5
----------------------	----------------------	--------------------

PRIVATE LESSONS

Private lessons are a great way for students to advance quickly through our program as they receive all the attention during class time.

One of our students started off in seahorse and was struggling to move up but once moving into a private lesson class he was able to progress through 3 levels quickly and is now one of our youngest swimmers in the Stingray level.
