JUNE 2025

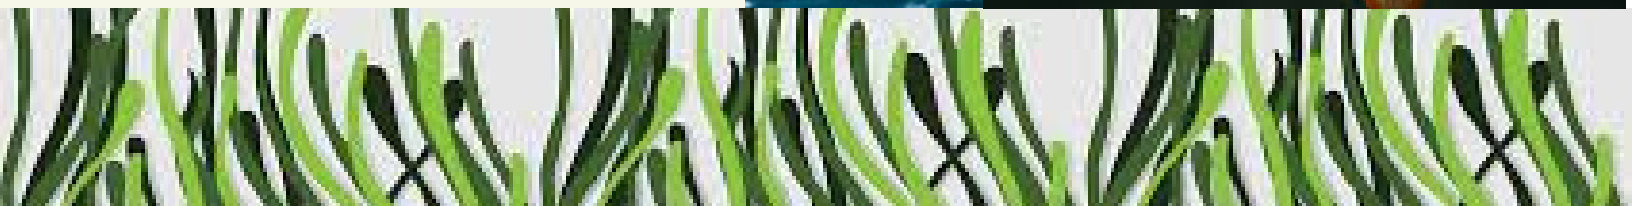

Spotlight level!! Starfish

Starfish level is about acclimation and safety. We want to make sure the children are comfortable in the water and able to do basic but important tasks. These tasks include going a distance showing that the child can hold their breath while swimming with their face in the water and is able to breathe without touching the floor while swimming.

REMINDERS!!

- Summer camp sign ups are still going!!! Our camp runs from June 9th-Aug 8th.
Please sign up at the front desk!!
- Private/semi-private will receive a 15% discount with 2 or more camps purchased
- Please remember to bring a swim cap to class if your hair touches your shoulders!!!
- Please rinse before entering the pool, this will keep our water clean and more hygienic. Oils and sunscreen are not good for the water.

JUNE 2025

EMPLOYEE OF THE MONTH

STUDENT OF THE MONTH

Krystal has been doing an amazing job and has really shown why she deserves to be employee of the month. She comes to work on time and is ready to teach. The children love her and she really cares for them.

STUDENT OF THE MONTH

Chloe is an excellent swimmer that has made great progress. Now that she's going to shark she's going to be learning speed and endurance along with fine-tuning of swimming skills. We have no doubt she will do well.

Hunter is also a very good swimmer that always has a smile on his face and is ready for class. He really proved himself as a sea lion. He is now ready to start working on his endurance for freestyle and backstroke.
